

**TOPIC:**  
**Five Element  
Acupuncture**

Most practitioners recognize that there is much more to understanding and treating patients than categorizing them according to symptoms and syndromes. *How, then, do you heal the emotions, mind, and spirit, as well as the body, with acupuncture?* Knowing the 'spirits of the points' avails you little unless you know exactly how and when to use them and how to conjoin them with the underlying imbalance. This seminar will cover: The mental and spiritual levels of the Five Elements; Diagnosing the needs of Mind and Spirit; Treating physical pain and illness; Pulse Diagnosis in the 5-Element System; Finding and removing energy blocks
