Lecture #2 on:
Famous Chinese Herbal
Formulas Analysis from
the Shang Han Lun

“Shang Han Lun” is one of Chinese Medicine’s four basic fundamental texts. It has been directing Chinese Medicine’s teaching, research and clinical practice for over 2000 years! Today in our daily practice, some of these famous formulae are still central to our practice.

This class will pick up where the last class left off, with study of some of the most important Shang Han Lun formulae. We will explore the ancient Chinese Medical theory, with the added perspective of modern medical research, linked to these formulae. Thus we will come to a better understanding and appreciation of their clinical value and usage today.
