

# TOPIC: Chinese Medicine for IVF and Fertility

Infertility is a common issue for many couples. Chinese medicine has been one of the most popular alternative therapies. Many are interested in using it alongside western medical treatment approaches, such as IVF. It is therefore extremely important for TCM practitioners to have the knowledge of how to use chinese herbs and acupuncture to support fertility and the IVF process. This course will present state-of-the-art knowledge and experience on these topics.

## SCHEDULE

10:00 - 11:00	Review TCM theory on infertility and reproduction
11:00 - 12:00	Review of current facts and statistics on infertility
